Allergy Awareness

Hallowe'en day will be **fun** but we want ALL our students to be safe. If your child wishes to give a 'treat' with their classmates, please ensure that it is nut free and individually wrapped. We are asking you to refrain from bringing party foods to school (cookies, cupcakes, cake, etc.) Please consider food treats replaced with a non-edible items.

Please consider donating to our wonderful school

In the past we have used this day as our fundraising event for the school year. In discussion with the staff the decision was made to continue with our Hallowe'en tradition but not seek out sponsors for fundraising. In lieu of this approach we are requesting each family make a one-time donation of **\$50.00 or more** to the school to support our fundraising efforts which will be used to support student learning in the school. All funds will be earmarked for student usage with a focus on mathematics and literacy, physical literacy and technology. With 350 families in our school and 100% participation our goal is to reach **\$17 500**. Please note that you will **NOT** be asked to support any other fundraising event such as chocolate sales, catalogue sales etc.

Please donate via the donate button on our school web site or the HWCDSB web site. In donating this way, you will automatically receive a donation receipt for tax purposes.
