

INTERNATIONAL LANGUAGE OPPORTUNITY:

July 3rd to 27th, 2018

Current educational research indicates that learning or maintaining a second or third language has a positive effect on all aspects of a child's educational development. The summer International Languages Program is designed for elementary school age children who will be attending Junior-Kindergarten to grade 8 in the 2018-2019 school year. This program provides the opportunity for children to speak, listen, write and read an international language and at the same time learn about the culture and heritage associated with the language. During the month of July the HWCDSB offers **free** language classes in many of their elementary schools. These take place from Monday to Friday for 2.5 hours per day beginning at 9:00 a.m. or 9:30 a.m. **No prior knowledge** of the language is necessary. This is a continuous-entry program; students can register any time during the month of July.
