**1. PRAYER**

Dear Heavenly Father,

We come before you today to lift up the Parent Council and all the parents who are involved in the activities of the school community. As we transition into the season of spring, we ask for your guidance and blessing upon all the plans and events that are being organized for the benefit of our children.

We pray that you grant the Parent Council the wisdom to make decisions that will promote the well-being and growth of our children. May they be filled with compassion, patience, and understanding as they work together to create a positive and nurturing environment for all. We ask that you bless all the upcoming events, such as spring festivals, field trips, and other activities, with safety and enjoyment for all participants. May these events bring families and the community closer together, fostering bonds of friendship and mutual support.

We also pray for all the teachers and staff who work tirelessly to educate and care for our children. May they be blessed with the energy and inspiration they need to continue their important work.

Finally, we ask that you watch over all the families in our community, especially those who may be going through difficult times. May they find comfort, strength, and hope in their faith and in the love and support of their friends and neighbors.

We offer this prayer in the name of your son, Jesus Christ.

Amen.
